

NIGHT SAFARI

(WITH DINNER OPTION)

The world's first **Night Safari***, set in 40 hectares of secondary jungle, will unfold the mystery and drama of the tropical jungle after dusk with stunning effects.

See a myriad of nocturnal animals, from fierce predators to timid forest dwellers, in their natural habitat under subtle moonlight.

Roam the jungle in the complete safety and comfort of a **Tram** which takes you through the East and West Loop. Pass by a large reservoir and weave through selected habitats designed specifically to replicate the natural environment from the Himalayan Foothills to the Southeast Asian Rainforest and Indian Subcontinent.

On completion of the tram ride, your tour guide will lead you on a walking trail where you will be able to view some animals at closer quarters.

Note: This tour includes a dinner option, inclusive of a souvenir. Drinks during dinner are not included. Tour duration includes travelling time to and from the attraction.
